Submitting Your Application

- **Login and edits:** Log in and create an account to begin your application. Once you access the application, changes and edits can be made. To unlock your application and make changes, log in and click the EDIT button (top right of screen) and you make revisions or additions. Click the SAVE button to save updates.
- **Before your application will be considered, you must include the following documents:**
 - **Most current High School Transcript** (does not have to be your official transcript)
 - **Free Application for Federal Student Aid (FAFSA)**
 - **Letters of recommendation:** In the application you will be asked to provide the correct contact information, including a valid email, for your teacher(s) providing your letter(s) of recommendation.
 - Once this is completed, you will submit the form. You will see a pop-up confirmation that the recommendation form has been submitted. You will also get a pop-up asking if you are ready to submit your entire application or save changes. If your application is incomplete, simply click SAVE MY WORK.
 - An email will be sent to your contact/teacher. They will complete an online form which is your letter of recommendation.
 - You will not be able to submit your scholarship application until the letter(s) of recommendation are filled out by the teacher. You may continue working on your application while waiting for the letter of recommendation to be submitted.
 - Once the contact/teacher has submitted your letter of recommendation to the Foundation, your application will move from PENDING to RECEIVED and you can submit your application when ready.
- **Submission:** When complete, YOU MUST click SUBMIT on the last page. You will get a notification that your application is complete. Applications needing more attention will receive an email or text notifying of an incomplete application.
