RECOGNITION OPPORTUNITIES

Gifts that honor legacy

The Reaching New Heights capital campaign will secure \$3 million plus dollars to augment our endowment to achieve long-term financial support for larger, systemic teacher-driven grants in the Fayetteville Public Schools.

Fayetteville teachers are poised to execute larger-scale, effectual projects to provide a pathway of opportunity for the unique needs of every student. Growing the endowment will mean that together we will provide educators with the resources for groundbreaking programs to ensure our schools, our students, and our alma mater remain exemplary.

Building on the momentum of the initial phase of the Fayetteville Public Education Foundation endowment, in which we secured \$4 million toward signature grants to Fayetteville educators and staff, the Foundation is now engaged in phase II, bringing recognition opportunities to our supporters, alumni and district families. We invite the community to be a part of this important event in our district's history.

Generous gifts are recognized through opportunities that leave a legacy. The Reaching New Heights endowment creates a wonderful and permanent heritage for you and your family. A gift may serve as a thoughtful and lasting tribute to a loved one, friend, teacher, or classmate.

The generosity of our initial donors demonstrated both community support and the willingness of many to take a leadership role. [Click here for a list of early supporters.](#)

ACKNOWLEDGMENT – CAMPAIGN RECOGNITION¹

- **GRANT RECOGNITION**

Gifts of \$250,000 or more

Leadership gifts anchor the Reaching New Heights endowment and are recognized through grant naming. Grants can be designated for one or more of the areas of need identified in the campaign, such as enrichment grants for quality out of school programs, innovative, systemic grants that incubate student and teacher development, or grants for addressing educational achievement gaps.

- **DONOR RECOGNITION**
Walls of Recognition

Gifts from \$249,999 to \$10,000

Donors who participate in the Reaching New Heights campaign may specify their name(s) to be listed on Walls of Recognition located in the lobby or foyer of a school (s) of your choice throughout the District. Your name recognition can be in honor or memory of your family, a teacher, or a classmate.

These permanently installed walls uplift the heritage of a school, honor teachers dedicated to educating our children, and demonstrate your investment in public education. The Walls of Recognition allow a donor to leave a legacy for alumni, children, or grandchildren of our excellent schools.

In addition, gifts at this level will be listed on the current donor wall located in the lobby of the Fayetteville High School Performing Arts Center.

A complete list of the Reaching New Heights Campaign contributors will be listed in the Fayetteville Public Education Foundation's Annual Report, annual Celebration of Excellence and Hall of Honor programs.

¹ In the unlikely event the Foundation or Fayetteville School District determines in its reasonable and good faith opinion that circumstances have changed such that the Naming chosen by the Donor would adversely impact the reputation, image, mission or integrity of the Foundation, The Fayetteville School District, or the Board of Directors, of the Naming provided for herein the Naming will cease.
