

NWA Public Education Foundation Cooperative (NWAPEFC)

DEADLINE: April 03 2023 at 11:59 PM CDT (Midnight)

NWAPEFC Grant

Section 1: Applicant Overview

Name: *

First & Last

Email: *

Mailing Address: *

Cell Phone: *

Please input your cell phone number NOT your building/school phone number.

Tell us a little about your professional training.

Take a moment to review the below professional training areas and select any that you would find beneficial as an education leader. You may choose multiple topics. *

- Create an environment that uses discipline for restorative purposes
- Create a school environment that develops responsible young people
- Creating collegial/collaborative work environments
- Design professional learning opportunities for teachers/staff
- Develop systems supporting children's physical and mental health
- Engaging in self-improvement and your own continuous learning
- Equitably serving all children
- Help teachers improve through cycles of observation/feedback
- Knowing how to invest resources to improve school performance
- Leading a school-wide process to improve student achievement
- Leading instruction on developing students' higher-order thinking
- Leading instruction on implementing new state standards
- Leading instruction on raising achievement on standardized tests
- Leading schools supporting students from diverse backgrounds
- Leading schools supporting student's social-emotional development
- Managing school operations efficiently
- Meet the need of students with disabilities
- Meet the needs of English learners
- Recruiting/retaining teachers/staff
- Redesign the school organization/structure for deeper learning
- Selecting effective curriculum strategies/materials
- Use student/school data for continuous school improvement
- Work with various school/community stakeholders

Explain why you think additional professional training in these areas will help you become a more effective school leader. *

Min words required: 0 |

Max Number of Words: 250

In your building, which, if any, of the following obstacles do you experience in pursuing more professional training for yourself as a school leader? *

- I cannot travel outside of the District for professional learning
- I did not experience any obstacles in pursuing professional training
- I did not have sufficient coverage when I left the building for professional learning
- I did not know where to find information about current professional training opportunities
- I lacked enough money to cover the expense of professional development
- I lacked enough time
- The topics of the current professional training programs were not relevant to my work
